

NO QUESTIONS. NO EXCUSES.

"Lifetime" warranties are a dime a dozen in the optics world these days. At Burris, *we demand more* from our products and insist that our equipment provide the ultimate in confidence and performance. That's why we cover our entire product line - including glass, coatings, electronics, scope tubes, and everything in between - with the

BURRIS UNCONDITIONAL FOREVER WARRANTY.™

Quality optics and customer service the way it should be.
