**HAWKE | NO FAULT
LIFETIME WARRANTY**

The Hawke No-Fault Lifetime Warranty applies to rifle scopes, spotting scope bodies and binoculars only. Range finders, spotting scope eyepieces, cameras, mounts and other accessories are covered by our two-year warranty. The Hawke No-Fault Lifetime Warranty does not cover loss, theft, deliberate damage, or cosmetic damage that does not hinder the performance of the product. Occasionally we may replace your product with an equivalent of equal or better physical condition. Hawke's No-Fault Warranty applies only to products purchased after January 1, 2018 from authorised retailers. Items purchased prior to January 1, 2018 are covered under Hawke's original warranty — see your instruction booklet for details. Applies to the original owner only. Please retain your purchase receipt or register your purchase at hawkeoptics.com. All returns are subject to a 25% restocking fee.
