

## SG-100

### Sangean SG-100 AM / FM / Weather Alert Waterproof Shower Radio

Color

SKY BLUE

#### With its vertical compact design the SG-100

Will not take up valuable space wherever you place it. Yet the SG-100 will fill your Shower with great sound and get excellent AM and FM reception.

**You'll never have to worry about dropping the SG-100** in water, it's Waterproof with a JIS7 rating and is completely submersible. So whether your at the beach, the lake or in the shower you'll have peace of mind knowing the SG-100 is waterproof and ready to go wherever you want to take it.

**Weather still plays a sometimes dangerous role in our lives** Internet and Television are usually a good source of information, but in some weather emergencies a portable radio can be essential. The SG-100 will ensure that you have weather information anytime during a storm or an emergency. A siren function will alert you during extreme weather conditions or emergencies to help you be prepared and safe.
