PRODUCT DESCRIPTION

The **U-Rx™** Insert was developed to be the most comprehensive and adaptable Rx Solution ever made. This universal Rx carrier is the first to interchange across two brands, functioning in a wide variety of ESS and Oakley ballistic eyeshields and goggles. The nylon-frame U-Rx is approved by the U.S. Army for the new APEL and MCEPS standards*. Features two sets of nosepieces and goggle adapters for both ESS and Oakley products.

Range of Correction: +11/-11.
