

# CROSSFIRE® II

## CROSSBOW SCOPE KIT

### XBR®-2 ILLUMINATED RETICLE

Designed specifically for use with crossbows. Establish your zero at 40 yards, and you instantly have accurate subtensions from 20-100 yards for 275-450 FPS crossbows.

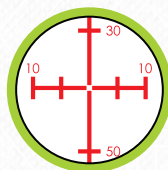

#### RED/GREEN ILLUMINATION

Provides visibility at dawn and dusk.

#### SUBTENSIONS FROM 20-100 YARDS

For quick holdovers at common effective crossbow ranges.

#### HORIZONTAL STADIA SUBTENSIONS

Positioned at 5 and 10 MOA.

#### MAGNIFICATION/FPS RING

To make reticle subtensions accurate with almost any crossbow.
