

LEUPOLD® FX™-II 2X20MM HANDGUN SCOPES

Hard-kicking handguns demand a scope that can hold its own. Our new FX™-II line is without doubt the toughest group of handgun scopes on the market. Built to take the recoil of big bore guns without missing a beat. Bright, clear visuals are the result of our superior Multicoat 4® lens system. A locking, fast-focus eyepiece lets you get on – and stay on – target faster.

New 1/2-MOA coin “click” adjustments compensate for windage and elevation with parallax adjusted at 60 yards. And, like all Leupold scopes, you get absolute waterproof and fog proof integrity...backed by our legendary Full Lifetime Guarantee. For superior quality, value and performance in a fixed power scope, the FX-II is simply the best in hand.
