

LEUPOLD® VX-III® 2.5-8X32MM HANDGUN SCOPES

The crushing recoil of large caliber handguns is no match for the Leupold® VX-III scope. That's because we put so much effort into engineering and building a scope that will more than hold its own against the hardest-kicking firearms. The rugged durability of this scope is matched only by its performance-enhancing features. Extended eye relief (EER) gives you faster target acquisition and a bright, clear picture

(a result of our Indexed Matched Lens System™). 1/4-MOA finger "click" adjustments and a locking, fast-focus eyepiece lets you get on target and stay there. A tactile power indicator provides instant reference. A Leupold through and through, the VX-III is waterproof, fog proof, and is backed by a Full Lifetime Guarantee... giving you the confidence you need at the range and in the field.

LEUPOLD® VX-III® 2.5-8X32MM HANDGUN SCOPES SPECIFICATIONS

Reticle		Duplex®	
Item Number & Finish		58770 (gloss)	
		58780 (silver)	
Lens Coating	Index Matched Lens System™	Exit Pupil (mm)	12.8 – 4.0
Adjustment Markings	Elevation and Windage: 1/4-MOA each	Weight (ounces)	10.9
Maintube Diameter	1"	Weight (grams)	309.0
Special Features	Tactile Power Indicator; Lockable, Fast-Focus Eyepiece	Length (in)	9.7
Environmental Protection	Waterproof, Shockproof, Fog Proof	Length (cm)	24.6
Eyepiece Design	Lockable, Fast-Focus	Mounting Space (in)	4.1
Actual Magnification	1.7x	Mounting Space (cm)	10.4
Linear Field of View (ft @ 100 yd)	21.2 feet	Objective Aperture (mm)	20
Linear Field of View (m @ 100 m)	7.1 meters	Eye Relief (in)	18.0
		Eye Relief (mm)	457.2
		Elevation Adjustment Range (MOA)	86 MOA
		Windage Adjustment Range (MOA)	86 MOA
